

## **Remarks**

This is in response to the final Office Action mailed January 23, 2009. Claims 1-8 remain pending. Reconsideration and allowance are requested for the following reasons.

### I. Claim Amendments

Claims 21-24 are canceled without prejudice or disclaimer.

### II. Claim Rejections - 35 U.S.C. § 103

Claims 21-24 are rejected under 35 U.S.C. § 103(a) as being unpatentable over Mogensen et al., U.S. Patent Application Publication No. 2003/0109829, in view of Hunn et al., U.S. Patent Application Publication No. 2004/0158207. This rejection is respectfully traversed, and reconsideration is requested for the following reasons.

The correctness of this rejection is not conceded. However, to advance this application to issuance, claims 21-24 are canceled. Reconsideration is therefore requested.

### III. Allowable Subject Matter

Claims 1-8 are allowed. The Examiner's assistance in identifying allowable subject matter is appreciated.

### IV. Conclusion

Favorable consideration in the form of a Notice of Allowance is requested. Please contact the undersigned attorney with any questions.

Respectfully submitted,
